COMMERCE & TRANSPORT (TRANSPORT) DEPARTMENT

NOTIFICATION

The 1st January, 2014

No.04-LC-TR-27/2013/T.— With a view to address the difficulties experienced by the applicants for Driving Licenses (DL)/Registration Certificates (RC) in collecting the DL/RC from RTO Office & to minimize the number of visits an applicant is required to make to RTO Office for availing any service, Government has decided to dispatch the DL/RC by Speed Post/Registered post through post offices under Department of Posts, Government of India. This will also act as a check to ensure that the applicants provide correct residential address while applying for DL/ RC and to prevent unscrupulous elements applying DL/RC with fictitious addresses.

The present practice of collecting the Driving Licenses and Registration Certificates in person by the applicants from the Office of the R.T.Os will be stopped and such licenses and certificates will be sent to the applicants' address as stated in the applications by Speed Post/Registered post only. For this purpose, the dispatch fees and handling charges will be borne by the applicant concerned which will be added to the present fees for different purposes of obtaining DL/RCs. Accordingly, ` 20/- in case of address of the applicant falling in the local Municipal area where the RTO office is situated and ` 40/- for the other areas as the case may be will be collected from the applicants in addition to the DL and RC fees for different purposes.

This order shall come into effect from 1st February, 2014 and applications received from 1st February, 2014 onwards will be accepted with these additional charges towards dispatch fee by Speed Post and handling charges in addition to the DL & RC fees for different purposes.

By order of the Governor
