[No. 6224-III-CR-25/2018/Coop.]

CO-OPERATION DEPARTMENT

RESOLUTION

The 30th August, 2018

Sub: Implementation of Pradhan Mantri Fasal Bima Yojana (PMFBY).

In supersession of this Department Resolution No. 2935-III-Cr-5/2016/Coop., dated the 12th April, 2016 and taking in to account the experiences of implementing the scheme “Pradhan Mantri Fasal Bima Yojana (PMFBY)” since Kharif 2016 season in the State, Government after careful consideration have been pleased to reconstitute the following Committees with their functions for smooth implementation of the Scheme.

1. Co-operation Department shall be the Nodal Department for implementation of PMFBY in the State.

2. Constitution of State Level Coordination Committee on Crop Insurance (SLCCCI)

For the purpose of monitoring and overseeing smooth implementation of PMFBY, the State Government do hereby constitute the State Level Coordination Committee on Crop Insurance (SLCCCI) with the following composition.

1	Chief Secretary	Chairman
2	Principal Secretary, Finance Department	Member
3	Principal Secretary, Agriculture & Farmers' Empowerment Department	Member
4	Secretary, Co-operation Department	Member
5	Principal Secretary, Revenue & Disaster Management Department	Member
6	Representative of Ministry of Agriculture, Cooperation & FW, GOI.	Member

7	Director of Economics & Statistics, Odisha	Member
8	Director, Agriculture & Food Production, Odisha.	Member
9	Director, Horticulture, Odisha	Member
10	Registrar, Co-operative Societies, Odisha	Member-Secretary & Convener
11	Deputy Director General of NSSO, Field Unit, Bhubaneswar	Member
12	Chief General Manager, NABARD	Member
13	Representative of RBI	Member
14	Managing Director, Odisha State Co-operative Bank	Member
15	Convener of SLBC, Odisha	Member
16	Regional Chief of AIC of India	Member
17	Regional Director, IMD	Member
18	Chief Executive, ORSAC	Member
19	Prof & Head, Agrometeorology Deptt, OUAT	Member
20	Two farmer representatives	Member
21	Implementing Agencies	Member

2.1. The said Committee can also include any other officer either as member of the Committee or can invite any officer to attend the SLCCCI meeting as a special invitee. The Committee shall decide crops to be notified and defined areas eligible for the crop insurance scheme (PMFBY) and premium rates for different crops well ahead of every cropping season.

2.2. The main function of SLCCCI shall be :—

- (i) to finalize clusters, selection of Implementing Agency and issuance of Notification.
- (ii) to consider available past yield data
- (iii) to finalise the notified unit/ defined areas (Insurance Unit) and Crops for insurance depending on available yield data, and for irrigated and non-irrigated areas, as deemed necessary.
- (iv) to finalize the premium rates and indemnity level

- (v) to finalise & approve seasonality discipline for coverage under PMFBY
- (vi) to take decisions regarding scale of finance of crop if required.
- (vii) to administer the existing State Crop Insurance Funds. The accounting procedure as indicated in Letter No.15209-AC, dated the 26th August, 1986 addressed to the Registrar, Cooperative Societies, Odisha shall be applicable *mutatis mutandis* for PMFBY subject to the provisions of PMFBY scheme.
- (viii) to act as the link between the State Government on the one hand and Implementing Agency (IA), Financing Institutions (FI) and Government of India on the other hand.
- (ix) to scrutinize/ examine claims falling within their risk liability and authorize officers to recommend disputed/ sub-standard claims for consideration by the Committee.
- (x) to monitor the involvement of Common Service Centre in enrolment of Non-Loanee Farmers
- (xi) to create necessary infrastructure for smooth implementation of the scheme and to take suitable action for adoption of new technology for early loss assessment and better administration.
- (xii) to take all other steps necessary for smooth implementation of PMFBY in the State of Odisha without contravening the guidelines of Government of India.
- (xiii) to consider decisions, suggestions/ proposals of the following sub-committees/ monitoring committees for better implementation of the scheme.
 - (a) State Level Monitoring Committee
 - (b) State Level Technical Committee
 - (c) District Level Monitoring Committee
 - (d) Block Level Monitoring Committee

2.3. The SLCCCI should meet at least once in every quarter, once before commencement of a crop season and again during the crop season.

3. Constitution of the State Level Monitoring Committee, State Level Technical Committee, District Level Monitoring Committee and Block Level Monitoring Committee for smooth monitoring of the scheme.

The following committees are hereby constituted to review & monitor the scheme:

I. State Level Monitoring Committee (SLMC)

1	Principal Secretary, Agriculture & Farmers' Empowerment Department	...	Chairman
2	Commissioner- <i>cum</i> -Secretary, Co-operation Department		Co-Chairman
3	Registrar Co-operative Societies, Odisha	...	Member
4	Director Horticulture, Odisha	...	Member
5	Regional Director, IMD	...	Member
6	Director Economics & Statistics	...	Member
7	Chief Executive, ORSAC	...	Member
8	DGM,NABARD	...	Member
9	Regional Chief of AIC & State Heads of other Implementing Agencies	...	Member
10	M.D, Odisha State Co-operative Bank	...	Member
11	State Coordinator, Common Service Centre	...	Member
12	Additional Relief Commissioner O/o Special Relief Commissioner	...	Member
13	Director of Agriculture& Food Production, Odisha	...	Member Convener

The SLMC should monitor the scheme and also review the progress of scheme implementation periodically (preferably bi-monthly in Kharif & Quarterly in Rabi season). The major responsibility of the Committee should be:

- (1) to critically analyse the outcome of tender floated by SLTC for selection of Implementing Agencies & recommend the same to SLCCCI for consideration
- (2) to fix up district- wise target for coverage of Farmers (especially Non- loanee ones)

- (3) to ensure adequate publicity of the scheme in the notified areas and imparting of training to the people involved in collection of premium , uploading of data in PMFBY portal.
- (4) to prepare strategies for conduct of requisite nos of CCE based on scientific & logical approach as specified in the guideline.
- (5) to verify the enrolment on random basis to ensure proper coverage under the scheme.
- (6) to ensure conduct of requisite number of Crop Cutting Experiments (CCEs)
- (7) to take appropriate decision on invoking provisions of “Prevented Sowing”, “ Mid-season Adversity”, Localised Calamity & “Post Harvest Losses”.
- (8) to resolve the disputes that could not be addressed at the District Level
- (9) to liaison with the Implementing Agencies for effective programme implementation

II. State Level Technical Committee (SLTC)

1	Director, Agriculture & Food Production	...	Chairman
2	Registrar, Cooperative Societies, Odisha	...	Co-Chairman
3	Director of Economics & Statistics	...	Member
4	Director of Horticulture	...	Member
5	Regional Director, IMD, Bhubaneswar	...	Member
6	Chief Executive, ORSAC	...	Member
7	Prof. & Head, Agro meteorology, OUAT	...	Member
8	Representative of NSSO	...	Member
9	Convenor, SLBC	...	Member
10	Representative of Implementing Agency		Member
11	JRCS/ DRCS (Credit), O/o.- RCS(O)	...	Member – Convenor

The SLTC shall meet as often as necessary to recommend on the following matters for adoption in SLCCCI before every cropping season:—

- (a) to monitor/supervise and advise the SLCCCI in the matter relating to adequacy and quality of CCEs and other relevant matters.

- (b) to recommend to SLCCCI regarding the crop and areas to be covered based on availability of area and yield data.
- (c) to formulate action plan for smooth conduct of CCEs in as per guidelines.
- (d) to recommend regarding Seasonality of discipline which includes:
- Loaning period for the notified crop
 - Cut-off date for Enrolment of farmers
 - Receipt of Declaration
 - Receipt of yield data
 - define risk periods
 - Weather parameters if any
- (e) The Committee in consultation with concerned technical experts will decide the various parameters of proxy indicators as may be applicable for additional benefits under PMFBY.
- (f) to float tenders for selection of Implementing Agencies(Insurance Companies) based on the recommendation of SLCCCI.
- (g) to analyse all technical reports & address issues relating to use of technology for assessment of area and conduct of CCE.

The SLTC may however include any other member as special invitee to make their deliberation more fruitful.

III. District Level Monitoring Committee (DLMC)

1	Collector & District Magistrate	Chairman
2	Deputy/ Assistant Registrar, Cooperative Societies	Member
3	Deputy Director, Planning & Statistics	Member
4	Deputy Director, Horticulture	Member
5	District Emergency Officer	Member
6	Secretary, DCCB	Member
7	Lead Bank Officer	Member
8	District Development Manager, NABARD	Member
9	District Coordinator of CSC	Member
10	Head, RRTTS/ KVK	Member
11	Implementing Agency	Member
12	Deputy Director, Agriculture	Member- Convenor

Role of District Level Monitoring Committee (DLMC)

- (a) Responsible for implementation and monitoring of the crop insurance schemes in the Districts.
- (b) The DLMC should monitor the scheme and also review the scheme periodically (preferably on monthly basis in Kharif & bi-monthly basis in Rabi

season) and verify the coverage, conduct of CCE, disbursement of claims etc. on random basis to ensure proper implementation of the scheme.

- (c) Chalk out appropriate action plan regarding publicity campaign for creation of awareness regarding the scheme and coverage of farmers especially Non- Loanee farmers as per assigned target decided by SLMC.
- (d) Convene regular meetings of Implementing Agency(Insurance Company), Lead Bank Officer and District Development Manager (DDM) of NABARD, Officers of rural financial institutions, District Agricultural Officer(DDA)/ District Horticultural Officer(DHO)/ District Cooperative Officer (DRCS/ARCS) & other concerned State Government Officials/ functionaries to ensure maximum coverage, proper publicity and awareness programmes for effective implementation of scheme.
- (e) Sensitise the District & Block Level officials regarding provisions under the scheme.
- (f) Send fortnightly report/ status to the State Government/ SLMC.
- (g) It should also provide fortnightly crop condition reports and periodical reports on seasonal weather conditions, loans disbursed extent of area cultivated etc. to concerned insurance company.
- (h) **The DLMC shall scrupulously monitor conduct of Crop Cutting Experiments (CCEs) in districts. It is pertinent to mention here that conduct of CCEs and assessment of actual yield based on CCE is the sole basis of end of season loss assessment and claim estimate. Accordingly DLMC should ensure all possible steps for proper conduct of CCE and confirmation “Actual Yield” based on CCE results. In this context, the following points must be strictly adhered so as to avoid future complications.**
 1. The selection of plots for conduct of CCE (both for Paddy & Non-Paddy Crops) must be discussed & finalised in the DLMC meeting. The selection of plots for Paddy is being done using “Smart Sampling Technique” and plots for Non-Paddy crop is selected through conventional approach of Land Utilisation Survey (LUS) under EARAS programme.
 2. **The detailed guidelines delineating steps to be followed for finalisation of CCE plots, sharing of CCE schedules, conduct of CCE, sample checking of CCEs and approval of CCE results are placed at “Annexure-I” & “Annexure-II”.**

3. It is the prime responsibility of the DLMC to redress all disputes relating to CCE. A three days window has been provided to the Insurance Companies to lodge complaint regarding CCE. **All disputes relating to CCE should be resolved at the District level before approval of CCE data.** However, any unresolved matter may be referred to SLMC for taking a final decision in the matter.
4. **The CCE based “Actual Yield (AY)” data furnished by the DLMC shall be treated as final. Hence, utmost care should be taken in finalizing the CCE based AY data.**
 - (i) Provide necessary assistance to Block Level Monitoring Committee (BLMC) for assessment of loss for localized calamities and post-harvest losses at farm level and mid season adversity.
 - (j) It should cross verify at least 10% of the beneficiaries verified by the insurance companies and send the feedback to the State Government.
 - (k) It should regularly check with the lending banks/ RFls whether they are maintaining the records of proposal forms, the other relevant documents and statements for the purpose of scrutiny/ verification by insurance company or its authorized representatives.

Role of Collector & DM

- (a) District Collector being the Chairman of DLMC, will ensure proper coverage and implementation of the crop insurance scheme.
- (b) Provide necessary guidance and assistance to other stakeholders
- (c) Take regular review meeting of DLMC
- (d) He shall nominate one officer in the rank of Additional District Magistrate (ADM) to act as “Nodal Officer” and responsible for regular monitoring of implementation of scheme.

The ADM shall ensure inter-departmental coordination, monitoring conduct of CCE as per protocol at **Annexure-I** and loss assessment in different risk scenarios. Further, the ADM will be the Officer responsible for activities relating to officials of Revenue & DM Department.

The Nodal Officer will also send requisite information along with his feed back and further necessary action required to District Collector and DLMC for proper programme implementation.

IV. Block Level Monitoring Committee (BLMC)

1	Tahasildar	Chairman
2	Asst. Horticulture Officer	Member
3	Cooperative Extension Officer	Member
4	Representative of Implementing Agency	Member
5	Assistant Agriculture Officer	Member Convenor

- (a) The BLMC shall continuously monitor the crop condition over the growing season. The BLMC meeting should be preferably conducted at least once in a month in Kharif season & on a bi-monthly basis in Rabi season so as to provide factual inputs to DLMC regarding crop condition and possibility of crop loss in case of natural calamities.
- (b) It shall assess the ground loss, if any based on the protocols and furnish the report to DLMC within time-lines.
- (c) The BLMC on its own, if needed, should provide first hand information to the DLMC regarding possibility of crop loss in case of natural calamities without for the directive by the DLMC.

4. Role of Panchayati Raj Institutions (PRIs)

Involvement at various stages of implementation of crop insurance schemes particularly in the identification of the crops and beneficiaries, extension and awareness creation amongst farmers, obtaining feedback of the farmers while assessing the payment for prevented sowing/ planning risk, localized perils, post-harvest losses and advance payment of claims etc.

5. State Crop Insurance Fund (SCIF) for PMFBY - The State Crop Insurance Fund (SCIF) constituted earlier at the State level under NAIS will continue for PMFBY. The fund will be utilized for:

- (a) payment of State share of premium subsidy
- (b) payment of State share of claims
- (c) publicity and awareness campaign
- (d) Strengthening Infrastructure for better administration of Crop Insurance programme
- (e) other purposes as decided by SLCCCI
- 5.1. The inflow to the fund will be:—
- (i) such sum as may be contributed at the State Government and released from calamity relief fund from time to time
- (ii) such sum raised by way of loan with the consent of State Government
- (iii) interest earned in deposits

(iv) sums received by way of contribution from different agencies with prior approval of SLCCCI

5.2. The SLCCCI shall administer the SCIF.

6. Payment of Claims— All claim payments relating to Crop Insurance should be routed through “**ESCROW Account**” (No.9075001030000108) of Odisha Stat Cooperative Bank Ltd., Bhubaneswar that has been created specifically for the purpose of effective monitoring of claim payments to the farmers. This modality shall continue till Direct Benefit Transfer in Crop Insurance is implemented.

ORDER

Ordered that Resolution be published in the *Odisha Gazette*.

By Order of the Governor

RANJANA CHOPRA

Commissioner-*cum*-Secretary to Government

Government of Odisha
Planning & Convergence Department

No. 1 2 6 3 7 /P, Bhubaneswar,
PC-ES-ES-0080-2016

Dated the 26-10-2016

From

Shri N.K Nayak
Officer on Special Duty

To

The Director (I/C)
Economics and Statistics, Odisha
Bhubaneswar

Sub: Supervision of LUS and CCEs under EARAS/ PMFBY.

Ref: DE&S letter No.6334 dt.03.10.2016

Sir,

In inviting a reference to DE&S letter No.6334 dt.03.10.2016 on the subject cited above, I am directed to say that your proposal on inspection Land Utilization Survey (LUS) and Crop Cutting Experiments (CCEs) under EARAS/ Prime Minister Fasal Bima Yojana (PMFBY) by the officers and staff of DE&S and districts as follows is approved.

SI No.	Officers/ Staff	Inspection of LUS (No. of sample villages by each officer/ staff)	Inspection of CCEs (No. of CCEs by each Officer/ Staff)	
			Paddy	Minor Crops
(1)	(2)	(3)	(4)	(5)
At DE&S level				
1.	Director, Economics and Statistics, Odisha	2	2	2
2.	Joint Director, Agricultural Statistics Division, DE&S	2	5	2
3.	Deputy Director, Agricultural Statistics Division, DE&S	2	5	2
4.	Assistant Director, Agricultural Statistics Division, DE&S	2	5	2
5.	All Nodal Officers of districts (DE&S)	2	5	2
6.	All Statistical Investigators/ Statistical Assistant of Agricultural Statistics Division, DE&S	2	5	2
At District level				
1.	Collector	1	4	2
2.	ADM	2	5	2
3.	Sub-Collector	2	5	2
4.	Tahasildar	3	5-10% of CCEs	5-10% of CCEs

SI No.	Officers/ Staff	Inspection of LUS (No. of sample villages by each officer/ staff)	Inspection of CCEs (No. of CCEs by each Officer/ Staff)	
			Paddy	Minor Crops
(1)	(2)	(3)	(4)	(5)
5.	Joint Director (Statistics), Ranges	At least 1 village in each district	5-10% of CCEs	5-10% of CCEs
6.	Deputy Director (P&S), DPMU	5	5-10% of CCEs	5-10% of CCEs
7.	Deputy Director of Agriculture	5	5-10% of CCEs	5-10% of CCEs
8.	Deputy Registrar of Cooperative Societies/ Assistant Registrar of Co-operative Societies	2	5-10% of CCEs	5-10% of CCEs
9.	Assistant Director, (Statistics), DPMU	5	5-10% of CCEs	5-10% of CCEs
10.	District Agriculture Officer	At least 5 villages in allotted block	5-10% of CCEs	5-10% of CCEs
11.	Assistant Agriculture Officer	At least 10 villages in allotted block	5-10% of CCEs	5-10% of CCEs
12.	Statistical Investigators/ Statistical Assistant, DPMU District level	10 villages in allotted block	10-20% of CCEs	10-20% of CCEs
13.	SSFI & SFI, DPMU Block level	40-50% of sample villages	20-30% of CCEs	20-30% of CCEs

You are, therefore, requested to communicate all concerned accordingly under intimation to this Department.

Yours faithfully,

N. K. NAYAK

Officer on Special Duty

No.1 2 6 3 8(5)/P,

Dated 26-10-2016

Copy forwarded to the Principal Secretary to Government, Revenue & Disaster Management Department/ Principal Secretary to Government, Agriculture & Farmers' Empowerment Department/ Principal Secretary to Government, Cooperation Department/ Commissioner-cum-Director, Agriculture and Food Production, Odisha/ Registrar of Cooperative Societies, Odisha, Bhubaneswar for information and necessary action.

They are requested to issue necessary instructions to their respective field offices on inspection of LUS and CCEs under EARAS/ PMFBY.

N. K. NAYAK

Officer on Special Duty

Protocol for monitoring of Crop Cutting Experiments

1. The selection of plots for conduct of Crop Cutting Experiments (CCEs) for Paddy shall be made through smart sampling process using remote sensing technology. For programmed & notified non-paddy crops, the plots shall be selected through conventional sampling method after Land Utilization Survey. The CCE plots so selected for Paddy by NRSC should be sent to the ORSAC for geo-referencing. Both for Paddy and Non-Paddy Crops, substitute plots shall be selected to meet the exigencies.

The geo-referenced CCE plots along with substitute plots for Kharif Paddy sample plots shall be communicated to the districts in the following manner.

- 1 Autumn Paddy – in the 2nd fortnight of August.
 - 2 Winter Paddy- in the 2nd fortnight of October.
2. The Additional District Magistrates shall be the Nodal Officer for monitoring the conduct of CCEs.
 3. The Deputy Director (P&S) of DPMU shall prepare a detailed list of manpower (Department wise & Insurance Unit wise) to be engaged for conduct of CCEs.
 4. This sampling frame (CCE plot list) and manpower engagement must be placed in the District Level Monitoring Committee meeting and approved. This list is to be then communicated to the Insurance companies by the DD, DPMU through e-mail/ hard copies.
 5. Thereafter, the Nodal Officer should ensure that the field level workers must download the Crop Cutting App in his/her mobile .Further his/ her no. should be inducted in District /Block Level What's App Group.
 6. The approved list of plots where CCEs are to be conducted should be communicated by the Deputy Director (P&S)/ Asst Director (Statistics), DPMU/ DDA/ ADMs (through Tahasildar) to the concerned field workers at least 10 days before the conduct of CCE. He should also ensure induction of Mobile Nos. of Dist. & Block coordinators of Insurance Companies in the respective What's App Group.
 7. The Nodal Officer shall issue suitable directive that the Revenue Inspector of the concerned area to assist the Primary Worker i.e. SFS/VAW/AO in identifying the CCE plot.
 8. The Primary Worker (SFS/VAW/AO/RI) may also use the "Google Earth" Mobile App for locating the CCE Plot. The "Google Earth" App can be downloaded free of cost from Google Play Store. He /She may use "**Bhu-Naksha**" to get the village map or

plot map in case the same is not available with him/her. This will help him to reach the actual plot selected for CCE.

9. Upon receipt of such CCE plots, the Primary Worker (SFS/VAW/A.O./R.I./ARI) shall visit the plot, consult the farmer, fix the CCE date and capture the preliminary information (Part-1) in the CCE App using Smart Phone.

Thereafter, he/she will prepare a tentative schedule of CCE and post it in the What's App Group.

The tentative CCE schedule may also be hosted in the District Portal.

10. It shall also be responsibility of the Insurance Company (Implementing Agency) to obtain the list of CCE plots from the DD (P & S), DPMU/ Asst. Director (Statistics), DPMU/DDA/ Tahasildar (as the case may be) through e-mail or hard copies.
11. The Insurance Company should also obtain CCE schedule/ revised CCE schedule from the Primary Worker of the GP/ULB.

The information regarding conduct of CCE posted in specially created What's App group shall be treated as the intimation communicated to Insurance Companies.

The Insurance companies shall depute the qualified manpower for co-observing the CCE.

12. A refresher training programme for the Primary Workers conducting the CCEs shall be arranged by the DDA-cum-Convener DLMC out of the funds provided under the Support to Crop Insurance Programme.
13. The Primary worker must conduct the CCE in the assigned plot as per the codified procedure under EARAS and in case of any substitution of plot, he/she should take due approval/ post-facto approval of the Nodal Officer. After conduct of CCE, the Form 8 should be carefully filled up, checked for all calculations & handed over to the authorized representative of Insurance companies if present (preferably the representative may take a snap of the Form-8). After completion of the CCE process, the Primary Worker shall submit all the hard copies relating to the CCEs to their concerned Dist. Level Approver.
14. The guidelines with regards to physical verification of CCE by different level of officers (Communicated vide letter No.- 1237 dt 26.10.2016 of Planning & Convergence Department and 5684/ dt.4.7.2017 of Co-operation Department Govt. of Odisha) should be scrupulously followed.
15. The progress of conduct of CCEs should be reviewed on weekly basis by the "Nodal Officer".

The "Nodal Officer" can monitor the progress of the CCE through "PMFBY Portal". The mobile nos. of ADMs have been duly registered in the portal & passwords have

been provided to them. However, in case of any change in the “Nodal Officer” the same should be intimated to the Director of Agriculture & Food Production (Odisha) cum-Chairman SLTC (through email-cropinsodisha@gmail.com).

The Nodal Officer is to ensure the submission of all filled-in Form-8 by all the Primary Workers.

16. After capturing of CCE data by the “Primary worker”, the entire data set should be presented in the DLMC meeting & discussed. The CCE verification module of Crop Insurance Decision Support System developed by NRSC may be used as a guiding tool for the purpose. However, the results of the said verification module should only be used as a reference and not a substitute of actual CCE data. **Any outliers (extremely low yield / high yield) observed in CCE data must be brought to the notice of the “Nodal Officer” and if required be verified by following appropriate mechanism.**

District Level Approver shall then only approve the results in the CCE-App or Web portal based on the hard copies submitted by the Primary Worker and decisions taken in DLMC meeting.

17. The DLMC after due approval of the CCE data {of Autumn first for production estimate and then for Kharif (Autumn + Winter)} of the district shall transmit the same to the Director of Economics & Statistics in Excel Sheet for preparation of yield estimates under PMFBY as well as production programme (EARAS). The time lines for sending **Autumn CCE data is 15th November & that of Winter CCE data is by 31st December** of the corresponding year. Similarly, CCE data for **Summer Paddy is to be sent by 30th June** of the next year.
18. The data so obtained shall be verified, validated by the Director of Economics & Statistics and placed before State Level Technical Committee (SLTC) and thereafter in State Level Monitoring Committee (SLMC) for approval.
19. After due approval of yield data by SLMC, the same shall be communicated to the Co-operation Department for notification & communication to the Insurance Companies.
20. CCE plots selection for notified minor Crops will be carried out in conventional EARAS method for conduct of CCEs by SFS/VAWs for Block wise yield estimate under PMFBY as well as EARAS. All other process involved in the CCEs & monitoring by DLMC & SLMC will be same as in Paddy.
