### **NOTIFICATION**

The 29th January 2010

No. 1330—I-TTI-75/2010(Pt. B)-I.—In exercise of powers conferred under clauses (c) and (e) of sub-section (6) of Section 4 of the Orissa Professional Educational Institutions (Regulation of Admission and Fixation of Fee) Act, 2007, the Policy Planning Body (PPB) recommended for constitution of a Sub-Committee which will make a detailed study and recommend to admission into various disciplines in B. Tech. course from among Diploma holders under lateral entry system. Accordingly, a Sub-Committee was constituted vide this Department Order No. 16281, dated the 10th November 2009 under the Chairmanship of Vice-Chancellor, Biju Patnaik University of Technology, Orissa to study as to whether any Diploma student from any discipline can take admission into any stream in B. Tech. course under lateral entry and on any other matter deemed proper. The Sub-Committee so constituted, after analysing the issue in detail and verifying the syllabus of different disciplines recommended on following points:—

- (i) The Diploma Courses in Manufacturing Technology, Mechatronics and Electronics offered by Nettur Technical Training Foundation (NTTF), Gopalpur is equivalent to the Diploma Course offered by State Council for Technical Education and Vocational Training (SCTE & VT), Orissa, Bhubaneswar and hence, may be allowed to take admission into any branch of B. Tech. course under Lateral Entry System.
- (ii) The students completing Diploma in Plastic Engineering Course under Central Institute of Plastic Engineering & Technology (CIPET), Bhubaneswar may not be eligible for admission to B.Tech. Course as the courses of study of Diploma in Plastic Engineering in C.I.P. E.T. does not cover sufficiently the course of Mathematics, Physics and Chemistry in the existing Diploma Course under S.C.T. E.& V.T., Orissa. Further, there is also no course on Computer Application, Basic Electrical Engineering and Basic Electronics in the existing course of Plastic Engineering which exists in Diploma Course in S.C.T. E.& V.T., Orissa.
- (iii) Except Plastic Engineering, any student who has passed Diploma Engineering in any discipline securing a minimum of 60% marks in aggregate at S.C.T. E.& V.T., Orissa may be considered to take admission into Degree Engineering Course in any discipline.

After careful consideration of the recommendation of the Sub-Committee constituted on the recommendation of the P.P.B. and to give the students an opportunity of being multi-skilled which will give better employable scope, Government have been pleased to decide as follows :

- (i) Diploma students in Plastic Engineering are eligible for admission to B. Tech. programme in Plastic Engineering discipline only.
- (ii) For all other branches in Diploma Engineering, there shall be no restriction to enter laterally into any branch of B. Tech. course under Lateral Entry System.
- (iii) The course offered by N.T.T. F., Gopalpur is recognized as equivalent to Diploma Course offered by S.C.T. E.& .V.T., Orissa and such Diploma holders are allowed for admission into any branch of B. Tech. course under Lateral Entry System.

By order of the Governor,

SAURABH GARG

Commissioner-*cum*-Secretary to Government
